## **PARKING/TRAFFIC PLAN ANNOUNCED**

This is a LARGE event that draws a LARGE number of people, which will result in traffic congestion. Please plan your travel time and arrival accordingly.

We are working hand in hand with Darke County Sheriff, Toby Spencer, as well as the Darke County Sheriff's Patrol to address the traffic flow following the completion of the Prelude to the Dream. With the cooperation of the race fans, we are confident it will work.

please note:

### **EXITS FROM ALL PARKING LOTS AND CAMPGROUNDS WILL BE BY RIGHT TURN ONLY.**

For your assistance and planning, a schematic of the Eldora Speedway grounds is on the back side of your informational insert. On the back side of this sheet is a detailed road map of the area to help you find alternate routes to your destination. We are blessed with the many back roads and highways that surround Eldora Speedway, so there will be no lengthy detours as a result of this action.

Please review the maps prior to your arrival and have your exit plans detailed.

#### **PARKING LOT.....**

We will have attendants in the parking lots to assist and direct you to the available parking areas. Please follow their directives.

To make the maximum use of the parking lots, tents are not permitted, and any 'tail-gating' will have to be confined to your immediate parking area.

Also, our handicapped parking areas are limited. To gain access, you will need to present your handicapped placard, along with proper identification.

Once a parking lot becomes full, LOT FULL signs will be posted, please honor all signs. Illegally parked vehicles will be towed at the owner's expense.
