Thank you for your interest in Eldora Speedway. We have been a leader in grassroots racing since 1954 and appreciate you thinking of us for your cause.

We do; however, receive an enormous amount of requests for donations and/or contributions.

To make the distribution and fulfillment as fair and as often as possible, we have established guidelines for donation requests; as detailed within the attached form.

Upon receipt of this completed form, by mail (we can not accept e-mail or faxed requests), we will forward it to our Corporate Offices for their review and decision. We can assure you that each request will be given careful consideration and respect by the Review Committee.

Once a determination of eligibility has been returned, we will notify the contact person shown on the application form.

DONATION REQUEST PROCEDURES & GUIDELINES
