

2014 Class Specifications *

revised 5/3/14

1/7 mile semi-banked clay oval

13929 SR 118 New Weston, OH 45348

gates open 9:00/driver meeting 11:00/racing 12:30

*Our intent is to create classes of sufficient size, to promote the spirit of competition. This will require some trial and error experimentation. We will continue to test the various weight/plate structures at each race meet in an effort to come up with a balance. Please bring weights with you. Specifications may be subject to changes upon proper notification.

l. These specifications have been prepared by Little Eldora Speedway and its officials as guidelines for go kart racing at Little Eldora Speedway. No express or implied warranty of safety shall result from publications of, or compliance with, these rules. They are intended as a guide, and are in no way a guarantee against injury, or death to participants, spectators or others. Anything not covered by these guidelines **must be approved** by the track promoter, or his assigned technical steward. These specifications are intended to be in effect throughout the 2014 auto-racing season at Little Eldora Speedway; however, continuous development in auto racing and technology may necessitate changes in these guidelines and management reserves the right to change them at any time.
