Events through the May 30th Johnny Appleseed Classic will feature socially distanced seating to comply with the current Ohio Department of Health order.

Governor DeWine's announcement that Ohio's COVID-19 health orders will end June 2nd is welcome news for the passionate fans of Eldora Speedway, nearly 500 dedicated full-time and part-time team members, and our regional economy. Beginning with the June 9th Dirt Late Model Dream opener and moving forward, Eldora will operate at full capacity.

Final gate, event and starting schedules will be posted on EldoraSpeedway.com and on social media the week of the event after consultation with Eldora's official meteorological service. Raindate for the four major events is always the next clear and race-able day.
