6.

A Mobile Delivery email will look like this.

Tap on the blue button that says MOBILE TICKETS.

The tickets in your order will load in your browser window. (Swipe up to see them all)

Tap the ADD TO APPLE WALLET icon on each ticket you want to add to the Apple Wallet on your phone.

4.

5.

Tap ADD in the upper right corner of the ensuing screen to send the ticket to your Apple Wallet.

Repeat steps three and four for each ticket that needs to go in your wallet.

Tickets in your wallet are now digitally stored on your phone. Even if you lose cellular service, you can access these tickets from within the Apple Wallet app on your phone.

The Wallet app is installed on all iPhones by default

When clicking on the Eldora event in Apple Wallet, your phone will display your ticket(s) and bar code.

Simply have this screen ready when you walk up to the gate.

If you ordered for a large group, consider using the 'EMAIL TICKETS' feature to send each person their own ticket.

Adding an entire group of tickets to your own phone will require the entire group to enter with you at the same time.
